

## Style Maker Documentation:

Made by: May Steinfeld and Koral Zakai.

If it is your first time of using our application, first WELCOME!  
Second, you need an online internet connection.  
If you don't have an internet connection or if your internet access is limited you can use the option of adding the attached file  
"vgg19\_weights\_tf\_dim\_ordering\_tf\_kernels\_notop.h5" for using Vgg19 model, or "vgg16\_weights\_tf\_dim\_ordering\_tf\_kernels\_notop.h5" for using Vgg16 model to the path:  
"C:\Users\<UserName>\.keras\models\".

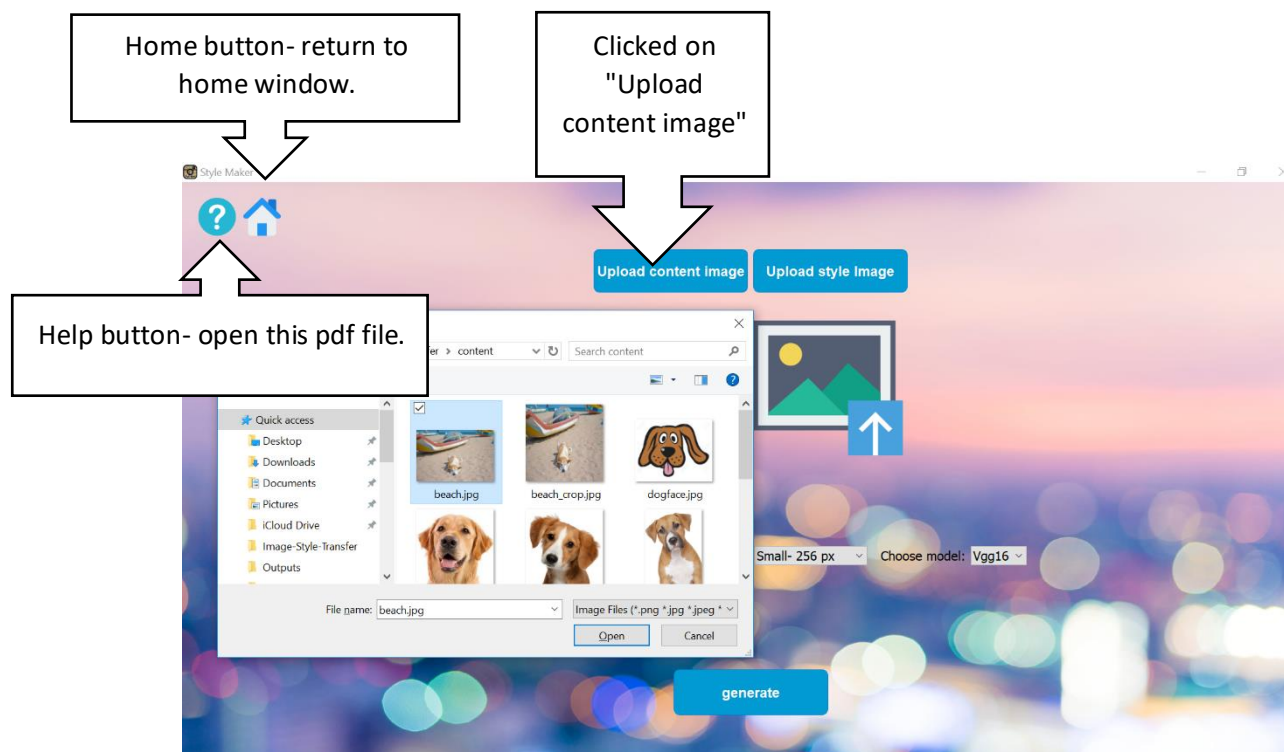

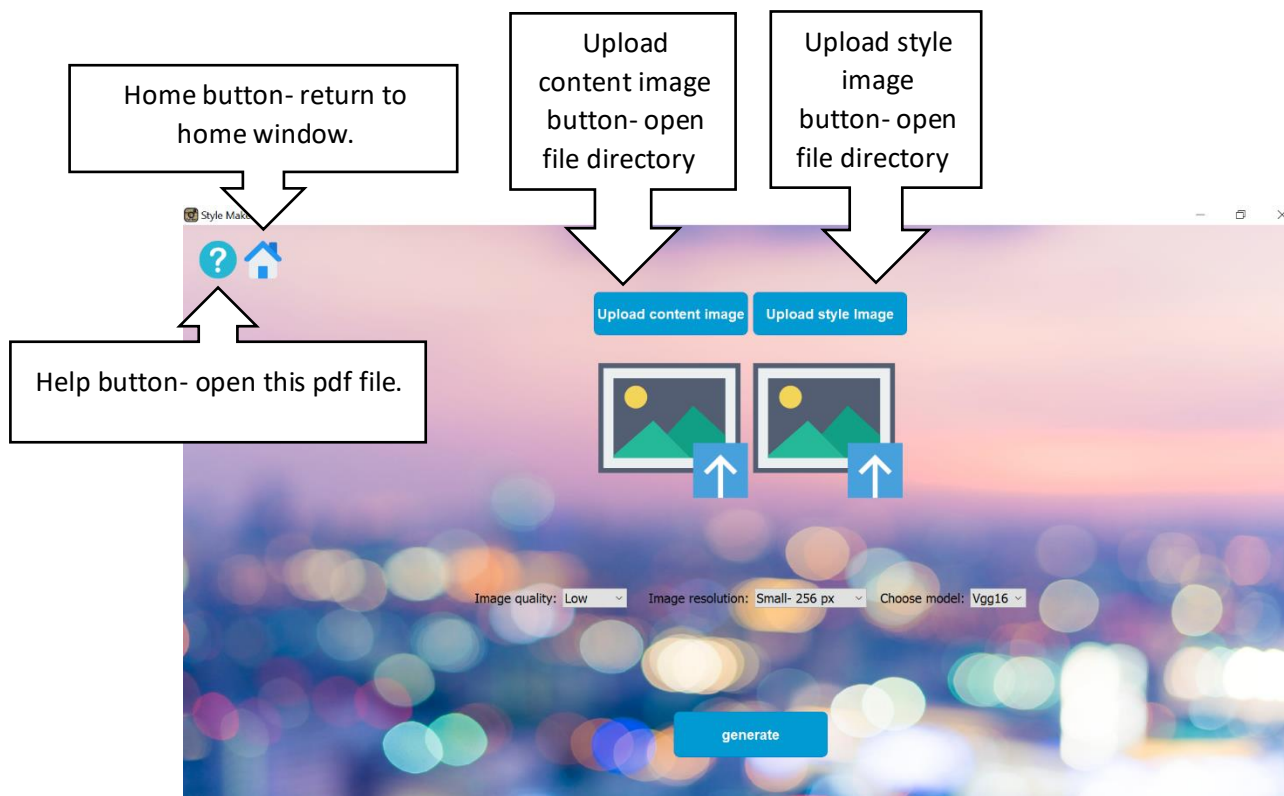

Explanation about the application:
